INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of
Patents and Trademarks
Washington, DC 20231

Sir:

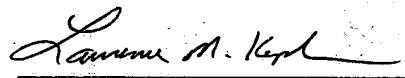

Applicants wish to bring the following documents to the attention of the Examiner in the above-identified application for U.S. Letters Patent. The Examiner is invited to review the full disclosure of each document for his or her own independent evaluation of the pertinence of the document to the invention claimed herein. A copy of each of the referenced documents is enclosed herewith, along with a completed copy of Form PTO-1499.

Applicants believe that the disclosures of these documents, taken alone or in combination, do not anticipate or render obvious the invention claimed herein.

The document entitled "New From Ameda/Egnell" discloses a disposable milk collecting bag, for use with a breast pump, that is typical of the prior art.

Each of the documents entitled "Instructions For Use Hermetically Sealing Mother's Milk Freezing Bags" and "Kaneson Easy Sealing Mother's Milk Bag" discloses a milk bag for storing and freezing expressed milk.

Respectfully submitted,

Lawrence M. Kaplan
